TOGETHER, WE CAN CREATE A BETTER US.

When you participate in the Y's fundraising events to support our Annual Campaign, you make it possible for children, families, and adults to have access to Y programs vital to their personal growth and well-being. Through the Annual Campaign, we are able to provide financial assistance for membership and programs like Summer Day Camp, swimming lessons, and before and after school care.

Last year, the YMCA of Greater Waukesha's financial assistance program provided over \$420,000 to help 3,500 individuals and families have the opportunity to experience all the Y has to offer. As the need continues to grow within our communities, there is a greater need for the Y. With your support, we can create a better us.
